The 12 Commitments

- 1 Reduce the amount of energy consumed in the school and switch to sustainable energy suppliers where possible
- 2 Reduce the amount of water consumed in the school
- 3 Reduce the amount of paper consumed and move towards a paperless operation
- 4 Discourage the use of pointless plastics by all staff, students and suppliers
- 5 Reuse and recycle everything brought into the school that can usefully be reused or cycled
- 6 Reduce the environmental impact of purchases e.g. by using local supply chains
- 7 Reduce the environmental impact of all marketing activities
- 8 Compensate for the carbon generated by students and staff travelling to the school – especially international students!
- 9 Encourage providers of accommodation services to adopt sustainable practices
- 10 Include activities that benefit the environment in the school's programme of social activities
- 11 Ensure that all staff and students are aware of the school's environmental policies
- 12 Systematically include environmental issues in the teaching curriculum
